

Our Collection

Rotherham
Fireplace Centre

Rotherham Fireplace Centre are proud to showcase our very own collection of fireplace surrounds. Each of our own-branded products are expertly made to measure and meticulously designed to the highest possible standards.

Drawing on over 40 years of industry experience, our collection is dedicated to providing finished products of the most impressive calibre, directly from us to you.

For our limestone surrounds, we regularly liaise with limestone suppliers in Portugal to ensure only the highest quality materials are used to craft your dream fireplace. From the cliffside to the living room, the customer is at the heart of our entire collection.

With a fireplace surround from our collection, you can enjoy the mark of true authenticity. Whether you prefer the look of marble, wood, or luxurious limestone, we have something to suit your every need and taste.

We invite you to browse through our stunning collection. Once you find something you like, you are more than welcome to visit our showroom to see it for yourself, complemented perfectly by our wide range of fireplaces.

Our stone, sourced directly from our Portuguese quarry.
